# Welcome

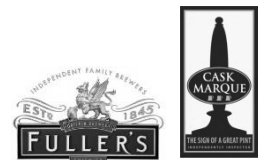

Our fantastic award-winning clubhouse is perfect for celebrations of all types and sizes including birthday and anniversary parties. The building can be split into different-sized rooms that can accommodate from 20 to over 100 people, with lovely views across the golf course, ample parking and are an excellent venue for events.

A full catering service is available seven days a week, providing quality food prepared and cooked by our own chefs using fresh ingredients and innovative menus. As well as club favourites and traditional food our caterers love to use their culinary expertise to create bespoke menus to suit your budget and make your event all the more memorable.

The bar is supported by Fullers Brewery, offering London Pride on cask, as well as a selection of ales, lager and ciders; with our real ales having received the Cask Marque accreditation. Our wine selection cannot be purchased on the high street, again offering just that little something different.

The construction is a single storey timber build and is sympathetic to the surrounding environment. Care was taken to make the building as environmentally friendly as possible, using air source heating and energy efficient lighting.

With helpful friendly staff, we can pride ourselves on quality service and attention to detail to ensure your day or event is most enjoyable.
