Golf at Mount Pleasant

Mount Pleasant Golf Club is open to the public and situated in some beautiful Bedfordshire countryside in the village of Lower Stondon, which is within easy reach of Hitchin, Luton, Bedford and Stevenage.

The Club opened for play in July 1992 and has established a reputation for its excellent condition and presentation. It offers both pay and play, as well as flexible memberships.

It is a very attractive 9-hole golf course, with 18 different tees, offering a golfing challenge of nearly 6,200 yards with a par of 70. The layout is always immaculately presented and incorporates an abundance of natural features.

The course has been designed to provide an interesting challenge, as well as a fair test of golf to established players, but not be too intimidating to enthusiastic beginners.

The layout incorporated three meadows, with existing trees, hedges, ponds and ditches. Some 10,000 extra trees, mainly indigenous species, were planted and all of these plantations are now very well established, making for some excellent tree-lined holes.

By using the well-proven construction principals recommended by the English Golf Union and incorporating a good drainage and irrigation system, the course is playable all year round.

Some revisions to the course have taken place over the years. A new 4th/13th green has been built, extending a short par 4 by some 70 yards. The old green was excavated to form a large pond. A new tee has been built for the 18th hole and new tees have also been constructed to add further length for competitions.

We operate a sustainable approach to greenkeeping, with very positive results. Our compost tea program for greens and tees helps to increase the beneficial soil bacteria and our sustainable greenkeeping covers other areas of the course, not just the greens.

Work on the 9-hole extension began in the spring 2017 and we will keep you up to date with the progress. Keep an eye on our news items on the website and Facebook for the latest updates.

Our fantastic award-winning clubhouse is perfect for a refreshing drink, filling snack or a relaxing dining experience. The new clubhouse opened in 2010 and won the prestigious award of Club Mirror 'Proprietary Club of the Year 2010'.

We very much look forward to welcoming you for what we are sure will be a memorable visit.

Members

Members at Mount Pleasant enjoy a full programme of competitions throughout the year, both playing against each other and at home and away against other clubs.

We have active and thriving sections for Men, Ladies, Juniors (under-18s) and Seniors (aged 55 and over). Each group enjoys several friendly matches over the course of the year which offers the chance to test one's game under the pressure of competition as well as to play some of the other courses in the area. Members are also encouraged to enter county competitions.

Within the club itself, one of the most prestigious trophies contested annually are the Club Championships, which seeks to identify the outstanding golfer of the year in each playing category.

Each section runs their own matchplay knockout competitions for pairs and individual players, as well as monthly medals and stableford events. A particular highlight of the year are the respective Captain's Days, which always promise a terrific day out both on the course and off it.

Much of the golf precedes an eagerly anticipated get-together in the clubhouse afterwards, the 9-Hole Championship being one such example, with the competition being followed by a barbecue.

Should you consider becoming a Member of Mount Pleasant? Absolutely. Pop along to one of our club nights held on Wednesdays from May through to September and you will see the camaraderie that exists at the club. New Members are made to feel a part of the club from day one.

Visitors

Visitors are always welcome at Mount Pleasant. We endeavour to provide a warm welcome and a day out to remember. You do not have to be a golfer to be able to spend an enjoyable time with us. The Fairway Bar & Bistro are open throughout the day where you are always welcome to enjoy a social drink or friendly meal.

If you do come for the golf, players can look forward to an excellent round with some of the fastest and best greens in the area. The course drains exceptionally well and is playable in all but the severest of weather. Juniors and Students (with valid student card) pay a reduced green fee. There are also reductions, at certain times, for Seniors aged 65 and over.

Handicap Certificates are not required for general play at Mount Pleasant. We are a fairly relaxed club, but we do ask visitors to respect our rules, dress code and standard golfing etiquette to ensure their visit runs as smoothly as possible.

Green Fees

Intermediates (19-29 years old) pay the adult green fee rate, unless a Student with a valid Student card.

Please see the Junior & Intermediate section for more information.

Societies

Society bookings are welcome at Mount Pleasant Golf Club, any time during weekdays and on weekend afternoons. The course is always in excellent condition and playable all year round. You can be sure of an extremely warm welcome from our staff, at all times.

We consider a society to be a minimum of 12 players, up to a maximum of 48 for golf. We can, however, cater for more.

Provisional bookings are taken over the phone and are only secured upon receipt of a 10% non-returnable deposit. Bookings must be confirmed at least a week in advance. Final numbers must be confirmed 48 hours before. Any reduction in numbers with less than 48 hours' notice will incur a fee of up to 50% of the green fee and the full cost of the meal. Unfortunately, if numbers drop below 12, we cannot apply Members Guest rates and therefore green fees will be charged at the applicable rate. Please make cheques payable to Mount Pleasant Golf Club.

Our pro shop can offer a variety of prizes for your day and golf clubs, trolleys and buggies can be hired on the day.

You are welcome to play 9, 18, or 27 holes, depending on the size of the group and your golfing requirements.

Longest drive, recommend 5th or 14th and nearest the pin, recommend 1st, 10th or 17th can be provided if required.

We would prefer societies to play in three balls wherever possible; however, we reserve the right to insist on a specific playing format depending on the number of players indicated.

Our society menu is guaranteed to satisfy even the largest of appetites and features golfer's favourites such as ham, egg and chips or sausage, mash & onion gravy, together with a large selection of other mouth-watering options, beef & ale pie, baked hake in a creamed leek & carrot sauce or Coq au vin.

Here at Mount Pleasant Golf Club, it is always a pleasure to meet new members, visitors and guests. If we can assist you with any queries or questions that you may have then please do not hesitate to get in touch.

Booking forms are available from the Pro Shop or we are happy to post booking forms to you. Please let us know if you require this. Your booking is only provisional until the Booking Form is returned, fully completed, with the non-fundable deposit.
