17th April 2018
Mount Pleasant Golf Club

“Mount Pleasant Junior Golfers raised £1,442 for the NSPCC”

Mount Pleasant Junior Golfers raised £1,442 for the NSPCC during 2017. Various fundraising events were held throughout the year, including a longest day golf challenge - where the 6 juniors played 54 holes each in a day starting at 5am.

A cheque presentation took place on Friday 13th April, where the Junior Captain, Jen Tocha and some of her team members took great pride in handing over the rewards of their efforts.

Jacqui Frewin-Venters from the NSPCC (2nd in from right) spoke proudly of how the money could be used to help support children and young people in Bedfordshire and all over the UK. Great effort to all involved.

Ian Comerford, Junior Organiser (Right) “very proud of the work everyone put in and thanked NSPCC for their support. Look forward to another Junior golf season”

Notes for Editors: Mount Pleasant Golf Club is totally committed to promoting golf at all levels. Nowhere is this more apparent than in our junior golf section in Lower Stondon, Bedfordshire. From exciting events to youth golf club membership, we provide everything possible to get children involved in the exciting and rewarding world of golf.

Safeguarding Message: Parents of the Juniors in the image supplied have consented to its publication. The Clubs welfare officer present during the presentation.
