A special event

In 2010 Mount Pleasant opened a purpose built timber framed clubhouse, and over the last 12 years our experienced Events Team have built up a reputation for their professional, friendly & high standard of service, with a keen eye to detail, ensuring that your special occasion runs smoothly, so you can enjoy your day to the fullest.

We cater for all occasions, so whether it be a birthday party, special anniversary celebration, festive Christmas party, a celebration of life, or just an opportunity to get the family all together, we will ensure that your event runs exactly as you wish. We understand that each event is very personal, and you will always find us empathetic when it comes to a celebration of life.

There are two function rooms which are available for hire. Our rooms are the perfect venue to host light lunches, evening dinners and parties. These rooms are partitioned allowing them to become one room and can accommodate up to 80 guests for formal dining and up to 150 guests for an evening party. Outside there is a terrace, covered by the roof canopy and adjoining patio to allow for additional seating, with picturesque views of the 18th fairway and green. The Iris room and The Suite both offer exceptional spaces for your event. Please note, along with the room hire, guests have private use of the terrace area adjacent to the room. All the rooms have underfloor heating, are temperature controlled and have background music facilities. Our chef's also offer innovative menus which are suitable to all tastes and offer that little something extra. Please contact your event coordinator for further information regarding menus.
