About Mount Pleasant

Mount Pleasant Golf Club opened for play 1992 and is situated amid beautiful Bedfordshire countryside in the village of Lower Stondon, within easy reach of Hitchin, Luton, Bedford and Stevenage. The course has established a reputation for its excellent condition and presentation. We have a variety of memberships available, or you can simply come along as a day guest to enjoy the course and club facilities. It is a very attractive 18-hole golf course, offering a golfing challenge of nearly 6,000 yards with a par of 70. The layout is always immaculately presented and incorporates an abundance of natural features. With lush green fairways, manicured greens and strategically placed bunkers, the course has been designed to provide an interesting challenge, both as a fair test of golf to established players, and a not too intimidating experience for enthusiastic beginners to the game.

We operate a sustainable approach to greenkeeping, with very positive results. Our compost tea program for greens and tees helps to increase the beneficial soil bacteria and our sustainable greenkeeping covers other areas of the course, not just the greens. Work on the 9-hole extension is now complete and opened in May 2021.

Visitors are always welcome at Mount Pleasant, whether you are a golfer, or simply enjoy the social scene. Our modern award-winning timber framed clubhouse is the perfect place to sit back and relax with friends, whilst enjoying one of the many drinks and meals that our Fairway Bistro & Bar has to offer.

We look forward to welcoming you to our club.

Membership

We pride ourselves on having an active membership, with a full schedule of competitions for men, ladies, seniors and juniors, aimed at players of all abilities. Each group enjoys competitions and friendly matches over the course of the year, both at home and away, which offers the chance to test one's game under competitive pressure as well as to play some of the other courses in the area. Members are also encouraged to enter county competitions.

Each section runs their own match play knockout competitions for pairs and individual players, as well as monthly medals and stableford events. A particular highlight of the year are the respective Captain's Days, which always promise a terrific day out, both on and off the course. Casual social golf is always available too, with weekly roll ups.

Club nights are held on Wednesdays from April through to September, and taking part in these is a great way to play social golf and meet other members of the club. New Members are made to feel a part of the club from day one. To find out more information regarding our membership packages, or for a Membership Application Form, please contact us.

Course Extension

Our 9 hole Course Extension was opened on the 29th May 2021, turning Mount Pleasant into a fully fledged 18 hole, Par 70 golf course, measuring close to 6,000 yards.

The course now consists of ten par 4s, five par 3s & three par 5s, producing a variety of challenges for golfers of all standards.

The new 9 holes are spread across both nine holes, giving a wonderful blend of old & new across both the front and the back 9.

2023 Membership Fees

Mount Pleasant is an equal opportunities club whereby men & ladies pay the same fees and have the same rights. There are various categories of memberships and all memberships are subject to the additional EG Affiliation fees at time of joining.
